

CALTCM 2014

Innovation to Action

Care of Wounds, Dementia and COPD

Promoting quality patient care through medical leadership and education

May 2-3, 2014

Omni Los Angeles Hotel at California Plaza
Los Angeles, CA

Program Introduction

2014 is the year of QAPI (Quality Assurance Performance Improvement) implementation throughout our country. With that in mind, we have designed our meeting for practical training for key players in your facility in areas where LTC has struggled to improve quality. To help you implement QAPI, we have designed innovative case-based half-day workshops for your facility (or virtual facility) designed to help you put this new knowledge into constructive and sustainable action for the benefit of your patients.

We have purposely chosen the care of Wounds and Dementia, since these are areas where prior quality efforts have often had disappointing results. To facilitate interactive learning, we have chosen a round table format for all of our workshops.

In addition, knowing that our hospital partners are being penalized for early relapse of COPD patients, we bring to you advances in COPD care focused on reducing the 30 day relapse rate through integrated care models.

We anticipate another delightful Poster session where we will not only learn from organized presentations on facility innovation, but also have opportunities to discuss the project with the author(s).

An additional highlight will be the collegial working relationships that develop around the tables at our annual meeting.

Bring your team, enjoy the interactive learning, and return home reinvigorated for with actions that fulfill the QAPI mandates.

Program Learning Objectives

1. The participant will develop QAPI skills that they will then implement in specific action plans in their facilities;
2. The participant will identify at least 3 QAPI performance improvement projects for implementation in the coming year;
3. The participant will better understand models of improving care integration, the incentives for improving this care, and then make specific decisions about how they will improve care integration in their facilities.

CALTCM Annual Meeting Accreditation Statement

Continuing Medical Education (CME)

The California Association of Long Term Care Medicine (CALTCM) is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians.

The California Association of Long Term Care Medicine (CALTCM) designates this Live activity for a maximum of 10 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

This course complies with Assembly Bill 1195 Continuing Education: Cultural and Linguistic Competency.

American Academy of Family Physicians (AAFP)

This live activity, CALTCM 40th Annual Meeting: Innovation to Action: Care of Wounds, Dementia, and COPD, with a beginning date of May 2, 2014, has been reviewed and is acceptable for up to 10 Prescribed credits by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Board of Registered Nursing (BRN)

SCAN Health Plan® is a provider approved by the California Board of Registered Nursing (Provider #CEP-13453). This activity has been approved for up to 10 contact hours.

California Board of Behavioral Sciences (BBS)

Course meets the qualifications for 10 hours of continuing education credit for MFT's and/or LCSW's as Required by the California Board of Behavioral Sciences (BBS). California Association of Long Term Care Medicine (CALTCM) BBS Provider No. PCE-3077.

American Medical Directors Certification Program (AMDCP)

This course has been approved for up to 1.75 credit hours of clinical education and 8.25 credit hours of Management education toward certification or recertification as a Certified Medical Director in Long Term Care (AMDA CMD). The AMDA CMD program is administered by the American Medical Directors Certification Program (AMDCP). Each physician should claim only those hours actually spent on the activity.

Debra Bakerjian, PhD, FNP, RN, FAANP

Senior Director for Nurse Practitioner and Physician Assistant Clinical Education and Practice
Assistant Adjunct Professor

Debra Bakerjian is senior director for nurse practitioner and physician assistant clinical education and practice, as well as an assistant adjunct professor, at the Betty Irene Moore School of Nursing at UC Davis. Previously, Bakerjian was a Betty Irene Moore School of Nursing Postdoctoral Fellow with specialties in health policy and system change.

Bakerjian's research aims to maximize the role of advanced practice nursing and improve the quality of care for aging populations. Her research focuses on the role of nurse practitioners and physician assistants; patient safety and quality improvement practices in long-term care, particularly nursing homes; care transitions between acute-care facilities, nursing homes and assisted living centers; pressure ulcer prevention and management; pain management; chronic disease management in frail older adults; and interprofessional education and practice.

Bakerjian was a Pat Archbold Predoctoral Scholar and a Claire M. Fagin Postdoctoral Fellow at UC San Francisco in the Department of Social and Behavioral Sciences, where she was also an assistant adjunct professor. She earned a Doctor of Philosophy in Health Policy and Gerontology in 2006 and a Master in Science of Nursing in 1992, both from UC San Francisco School of Nursing. Her doctoral study, "Utilization of Nurse Practitioners in Nursing Homes: A Comparison with Physicians," received the 2006 Dissertation of the Year Award at UC San Francisco. Bakerjian earned a Family Nurse Practitioner and Physician Assistant certificate from the UC Davis School of Medicine in 1991 and a Bachelor of Science in Health Services Administration from the University of Phoenix in 1983. She received an Associate Degree in Nursing from Evergreen Valley College in San Jose, Calif., in 1977.

Bakerjian is active in both state and national organizations associated with the care of older adults. She serves on the board of directors for Advancing Excellence in American Nursing Homes' and on the National Quality Forum's Skilled Nursing Facility Technical Expert Panel for Serious Reportable Events and Common Formats. She is on the Health Sciences Executive Committee of the Gerontological Society of America and the Quality Measures Committee for the American Geriatrics Society. She is also chair of the Nursing Home Special Interest Group and past president of the Gerontological Advanced Practice Nurses Association and current president of the Gerontological Advanced Practice Nurses Association Foundation. She serves on the executive committee and is the incoming president of the California Association of Long Term Care Medicine. She is also a member of the advisory committee for the American Medical Director's Association Clinical Practice Guidelines.
