Product Theater Guidelines & Application

Product Theaters

Product Theaters provide an opportunity for commercial organizations to present information to the California Association of Long Term Care Medicine (CALTCM) Annual Meeting Attendees about their product or services in relation to long-term or post-acute care. The material presented in Product Theaters may be promotional and may concentrate on a specific product. Therefore, these sessions are considered promotional and may not offer continuing education credit. CALTCM will offer three sessions for 45 minutes each.

Eligibility

Sponsorship of a Product Theater is not connected with any of CALTCM Annual Meeting sponsorships and may not be reflected as such by the company conducting the Product Theater.

Requirements for Product Theaters

Product Theaters are considered promotional activities and must be conducted in accordance with all applicable federal, state and local laws, as well as all applicable standards and guidelines, including, but not limited to, applicable FDA regulations and other established standards and codes. Continuing education credit may not be offered for Product Theaters.

The sponsor or the sponsor's designated third-party meeting planning organization is responsible for all aspects associated with the planning, promotion, and management of the Product Theater and for payment of all additional costs related to the Product Theater, including but not limited to food and beverage, additional audiovisual equipment, electrical services, and labor.

Application Process

Product Theaters may only be conducted upon approval by CALTCM. Companies wishing to sponsor a Product Theater should contact the CALTCM Executive Office at info@caltcm.org. Applications must be returned with a nonrefundable payment of user fee to be confirmed. Applications are processed on a first-come, first-served basis. Space is limited for this activity, therefore, a slot cannot be held without a deposit. Full payment of the fee must be received within ten (10) days of receipt of approval of the application or the Product Theater will be considered to be cancelled and space will be released to another sponsor. Upon receipt of the completed application, CALTCM will notify the sponsor of acceptance of the application and will provide the assigned date, time, and location for the Product Theater.

Fees

The fee to conduct a Product Theater varies based on the chosen 45-minute program slot. Please make checks payable to: California Association of Long Term Care Medicine: Tax ID # 94-2552489. Send completed application with payment to: CALTCM P.O. Box 800371 Santa Clarita, California 91380.

Schedule and Location

Product Theaters will be conducted, during times that do not conflict with CALTCM programming, according to the schedule below. For October 2022, there are a total of three (3) slots, each for a 45-minute period. All Product Theaters will be held in our designated area. All space and time slots will be scheduled by CALTCM. Applications will be processed on a first-come, first-served basis.

Product Theater Times

Thursday, October 6: 11:45 am to 12:30 pm	\$10,000
Friday, October 7: 12:00 pm to 12:45 pm	\$10,000
Friday, October 7: 6:30 pm to 7:15 pm	\$ 5,000

Each company may only apply for one slot; if slots are not filled by the deadline date, companies will be notified on a first-come, first-served basis to conduct an additional session at the advertised fees. Product Theaters will be held only in designated space.

Audio Visual

CALTCM will not provide any Audio Visual (AV) or technical support.

Promotion of Product Theaters

All materials intended to promote Product Theaters, including websites, promotional brochures, invitations, signage, and other materials must be approved by CALTCM prior to release and distribution. Because changes may be required, it is strongly recommended that review and approval by CALTCM occur before printing or production of the materials.

All approved promotional, marketing, and other materials used in conjunction with the Product Theaters must contain the following statement in a prominent type size and location on the materials:

"This promotional activity is provided by (company) and is not certified for continuing education credit. The content of this Product Theater and opinions expressed by presenters are those of the sponsor or presenters and not of the California Association of Long Term Care Medicine (CALTCM)."

CALTCM will not be responsible for any other advertisement of the product theaters other than what is specified herein.

No other phrase or reference to CALTCM or the CALTCM Annual Meeting is permitted on Product Theater materials. The CALTCM logo or CALTCM meeting graphics may not be used on Product Theater materials. The words "education," "educational," or "symposium" may not be used in any presentation titles or on any Product Theater materials.

Signs *(Applicable to live in-person events.)*

One professionally produced sign, not to exceed 30" x 40", may be displayed outside the assigned meeting room. This sign is supplied by the sponsor. CALTCM does not permit the distribution or placement of presentation flyers or signs in any other area of the meeting hotel, with the exception of the sponsor's exhibit table. CALTCM reserves the right to remove and discard signs and flyers of any organization violating this policy. See "Promotion of Product Theaters" for additional copy guidelines.

Speakers

All speakers and moderators for Product Theaters must be registered for the CALTCM Annual Meeting or registered as Exhibitors and must be wearing their CALTCM meeting badges in order to be admitted to the exhibit area. The organization coordinating the Product Theater is responsible for ensuring all speakers and moderators are registered in advance of the session.

Changes/Withdrawals

Changes to assigned time slots must be requested in writing to the CALTCM Executive Office at info@caltcm.org and will be accommodated only if the requested time slot is available. The timeslots noted above have been approved by CALTCM and may not be modified. There will be no refunds for programs cancelled after June 1, 2022. For programs that are withdrawn by the sponsor before June 1, 2022, 50% of the fee will be nonrefundable and will be retained by CALTCM, and the balance returned to the sponsor.

Limitation of Liability

CALTCM will not be responsible for any loss, injury or damage incurred by a sponsor or its contractors and/or its agents in connection with a Product Theater. The sponsor expressly releases CALTCM from any and all claims, injury or damage arising from the content, behaviors or any other aspects of the Product Theater.
