Wednesday, June 24, 2026 at 12:00pm Pacific

The Current State and Future of ACO's in Post Acute & Long Term Care

Featured faculty & moderators:

Alex Bardakh, MPP, CAE, PLC
Vice President of Government Affairs and Policy at CareConnectMD, a leader in value-based care serving residents of long-term care facilities and other high-needs patient populations.

Jay Luxenberg, MD
Retired Chief Medical Officer, On Lok; Served as Chief Medical Officer at the Jewish Home, San Francisco; Clinical Professor & Lecturer for UC San Francisco School of Medicine; CALTCM Wave Editor-in-Chief.

Dominic Lim, MPH
Health care executive with over 19 years of expertise leading strategic initiatives focused on large-scale business and technology transformation, managed care operations, and regulatory compliance.

Kerry Weiner, MD A senior physician executive with more than 30 years of experience in managed care, value-based care, and clinical leadership. He has held senior medical leadership roles across post-acute, Medicare, and population health settings, with expertise in ACO development, care model strategy, and improving outcomes for high-risk patient populations.

Pre-registration is highly recommended.

About CALTCM: The California Association of Long Term Care Medicine (CALTCM) is a 501(c)(3) professional organization dedicated to advancing quality patient care in long-term care settings. CALTCM represents physicians, medical directors, nurses, pharmacists, administrators, and other professionals. Through medical leadership, education, and advocacy, CALTCM works to enhance patient care, support ethical healthcare delivery, and influence policy statewide.

** CME/CEU/BRN available to CALTCM Members, please see accreditation statement on [webpage](#) for details.*

All conflicts of interest have been mitigated in accordance with the California Medical Association (CMA) Standards for Commercial Support.
