About CALTCM: The California Association of Long Term Care Medicine (CALTCM) is a 501(c)(3) professional organization dedicated to advancing quality patient care in long-term care settings. CALTCM represents physicians, medical directors, nurses, pharmacists, administrators, and other professionals. Through medical leadership, education, and advocacy, CALTCM works to enhance patient care, support ethical healthcare delivery, and influence policy statewide.

** CME/CEU/BRN available to CALTCM Members, please see accreditation statement on [webpage](#) for details.*

All conflicts of interest have been mitigated in accordance with the California Medical Association (CMA) Standards for Commercial Support.
