## Additional COVID-19 Testing Laboratories

For COVID testing not covered by your local health department (e.g., routine healthcare facility testing, occupational health testing, etc.), below are additional labs available.

Updated as of 6/18

Lab Name	Contact	Location	Type of specimen collected*	COVID testing service capabilities		
				Full service: Lab can provide onsite/offsite sample collection (including supplies like PPE and sample collection kits), facilitates logistics to collect and process specimens, and conduct diagnostic testing	Enhanced service: Lab can provide sample collection kits, manage inbound logistics (e.g. preprinted shipping labels), and conduct diagnostic testing	Testing only service: Lab can conduct diagnostic testing. Submitter must supply their own collection kits
Alcala Testing & Analysis Services	<a href="mailto:peteramdin@alcalalabs.com">peteramdin@alcalalabs.com</a> ; <a href="mailto:davidhogan@alcalalabs.com">davidhogan@alcalalabs.com</a> ; (619) 450-5870; <a href="http://www.alcalalabs.com/">http://www.alcalalabs.com/</a>	San Diego, CA	NP swab Nasal swab	YES	YES	YES
