CALTCM ANNUAL MEETING ACCREDITATION STATEMENT

This activity has been approved for up to 10 contact hours (AMA PRA Category 1 Credit(s)™). Physicians should claim only the credit commensurate with the level of their participation in the activity. This activity is eligible for MOC Part 2 credit through the American Board of Internal Medicine, for up to 10 MOC points. The maximum AMA PRA Category 1 Credit(s)™️ that can be earned is 10.
By participation in the annual meeting, participants will have the ability to:

1. Identify models and approaches for improving care coordination and take appropriate steps to improve the coordination of care for older adults.
2. Expose themselves to current research and best practices to improve care delivery models and implementation strategies.
3. Learn about the latest advancements in technology and its role in enhancing care coordination.
4. Exchange ideas and experiences with other team members to improve care coordination efforts.
5. Identify the necessary steps for a facility to take in order to improve care and identify the potential impact of these steps.
